### Capture Planning Shipley Associates Proposal

Capture Planning is an opportunity-specific process following the pursuit decision gate milestone that continues in parallel with proposal planning and preparation until the opportunity is awarded. Relying on the capture plan to quickly prepare the initial proposal management plan both saves time and presents a consistent message to the customer.

### Capture Planning - Shipley Associates

In parallel with ongoing capture planning activities, plan and validate your proposal plan before you begin writing new material or tailoring reuse material. If you lack a capture plan, capture strategy, solutions, and price to win, winning will be difficult with too much to do in too little time. Before the bid request arrives, proactively assemble and task a proposal core team to prepare a proposal management plan focused on the primary proposal planning activities.
