The Mitsubishi Pajero iO is a mini sport utility vehicle produced by the Japanese manufacturer Mitsubishi between 1999 (since June 15, 1998, in three-door form, and August 24, 1998, as a five-door) and 2007. The "iO" name is derived from the Italian for "I" which, according to Mitsubishi, "generates an image of being easy to get to know, easy to drive, and of being one's very own Pajero".
